Information about how personal data is processed

Personal data provided through this form will be processed by the Nordic medicinal agencies. The personal data includes name and e-mail address concerning the questioner. The purpose of the data processing is to handle the questioner's query. Because the query shall be processed by the agencies the legal basis for the data processing is that it is necessary as part of the exercise of official authority by respective agency. Your personal data will be stored in accordance with archive legislation.

The agencies are responsible for the personal data processing. If you want to know if the agencies process personal data about you, you can contact the authorities. If you want your personal data rectified, if you want to request a restriction of the processing or have your personal data erased, you can also contact the authorities. In some cases you also have the right to object to the processing of your personal data. If you have a complaint about the processing of your personal data by the authorities, you can contact the authorities and/or a national data protection authority.
